Title	:	Transition Section for a Catheter		

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants herein make available to the Patent and Trademark Office a copy of Form PTO-1449 under 37 C.F.R. § 1.97(c)(2). To date, applicants have received neither an outstanding final office action nor a notice of allowance in this application, and therefore prosecution is still considered to be open. The fee set forth in § 1.17(p) is paid herewith. The documents listed in the attached Form PTO-1449 were cited or submitted in either of co-pending related U.S. Pat. Appln. Nos. 10/807,434 or 10/808,440, but to applicant's knowledge were not previously been submitted in this application. The Commissioner is hereby authorized to charge any additional fees which may be required under 37 C.F.R. 1.17, or credit any overpayment, to Deposit Account No. 01-2525.

The listed documents are brought to the Examiner's attention because they are known to the applicant and/or the applicant's representative and may be considered by the Examiner to be material to his/her examination. This listing should not be construed as representation that a search has been made or that no better art exists. No inference should be made that the documents are in fact material merely because they are referenced herein. Moreover, no representation is made that any brief descriptions of the references herein necessarily describe the most material aspects of the references. Further, by this listing, the applicant is not making any admission regarding the relative dates of the invention and listed disclosures.

The Examiner is requested to consider carefully the complete text of these documents in connection with the examination of the above-identified application in accordance with 37 CFR 1.104(a). It is requested that the documents listed on the attached Form PTO-1449 be included in the "References Cited" portion of any patent issuing from this application (M.P.E.P. 1302.12), and that the Examiner initial and return a copy of the form to evidence consideration of the documents.

Conclusion

The Commissioner is hereby authorized to charge any additional fees which may be required under 37 C.F.R. 1.17, or credit any overpayment, to Deposit Account No. 01-2525. If the Examiner feels that a telephone conference would in any way expedite the prosecution of the application, please do not hesitate to call the undersigned at telephone (978)739-3075 (Eastern Time).

Respectfully submitted,

/James F. Crittenden/
